

INDIA MISSION

VISION TO HELP SERVE INDIAN PASTORS

Church of Hope has a commitment

- To help equip and resource local Indian Pastors to evangelise the villages and towns in India, and to help them to train up others for ministry
- To help raise up Ministry (Evangelism) Training Centres
- To help practically support and equip Pastors and Christians for the work of ministry

“And He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, for the equipping of the saints for the work of ministry, for the edifying of the body of Christ, till we all come to the unity of the faith and of the knowledge of the Son of God.”
(Ephesians 4:11-13)

The Apostle Paul also wrote, “And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also.” **(2 Timothy 2:2)**

Practical outworking of this vision

- 1) Helping to support Indian Pastors and Pastors Networks through training and equipping local pastors (yearly and six monthly training workshops) and assisting local pastors in holding monthly pastors meetings
- 2) Resourcing Indian Pastors with Training manuals / Tracts / Bibles / PA Equipment / Gospel Vans / Church Buildings in remote villages
- 3) Establishing a Care Support Ministry (To work hand in hand with gospel outreaches) – Food / Clothing / School Uniforms / School Books
- 4) Encouraging the development of EVANGELISM AND MINISTRY TRAINING SCHOOLS WITHIN THE MORE REMOTE VILLAGE AREAS OF INDIA. Equipping and empowering village pastors to raise up Training Centres and discipleship groups to train up church planting pastors *is a key to seeing India being transformed by the love of God.*
(2 Timothy 2:2)

“And he who wins souls is wise” (Proverbs 11:30)

VISION FOR OTHER OVERSEAS NATIONS

Church of Hope has a burden to help equip and empower the local pastors in the third world nations to see their nations won to Christ. A key focus is providing discipleship and training manuals to local pastors to help them to fulfil God's plan for their life and church. These manuals are designed to help envision and empower the local pastors to reach the lost with the gospel message and to plant new churches that are built on a firm foundation.

KENYA

Initial focus:

- To help resource the local pastors with ministry training manuals
- To help equip and support a small group of local pastors in Nairobi who will be holding training workshops and conferences in Nairobi for large groups of pastors from both Nairobi and the remote villages in Kenya
- To provide other resources such as tracts, bibles and PA equipment to help the local pastors in evangelising the lost and planting new churches
