

## MISSIONS HIGHLIGHTS

Church of Hope believes in the importance of everyone being given an opportunity to know Christ. God's desire is that no person would perish and go to hell but that all would have a relationship with His Son.

**Jesus said, "For God so loved the world that He gave His only Begotten Son, that whoever believes in Him should not perish but have everlasting life." (John 3:16)**

Church of Hope has a real burden to see Hell plundered and Heaven populated. For this reason our church has a missions ministry which has a vision to seeing every person being given the opportunity of hearing the gospel, so that they can choose the path that leads to eternal life and Heaven.

### **EQUIPPING LOCAL PASTORS**

Church of Hope has now been encouraging and equipping local pastors in both the Bangalore area and Andhra Pradesh as well as in Northern India. The major focus is to help equip the Pastors who come from the more remote village areas and who have little or no formal bible college training. Yearly workshops are held to encourage these pastors. All pastors receive free Ministry and Leadership manuals.

### **MINISTERING TO THE POOR**

Church of Hope is Partnering with Pastors who are planting churches in the slums of Bangalore. Part of their ministry is feeding the poor and helping with other practical needs. The Pastors are praying for a financial support base which will enable them to give those in the slum areas a hot meal each day. All money which is donated into our overseas missions Care Account will go towards meeting practical needs such as these.

**SUPPORTING REMOTE AREA PASTORS**

Church of Hope has been assisting and equipping local pastors in the more remote areas of Andhra Pradesh, North India and in villages outside of Bangalore. A ministry team is sent each year to these Pastors to help equip them in the area of Leadership and Church Planting. Last year Pastors from the tribal villages also took part in these workshops.
