

Pastors and Christians (above) going to Gospel Outreach

### EQUIPPING LOCAL PASTORS

Each year Church of Hope holds Pastors Workshops to help equip Christians and Pastors for the work of the ministry. Training manuals are given to all those who attend. The Pastors are very committed but in many ways they are limited by finances. For some outreaches, up to 12 Christians and Pastors have squeezed into an Auto Rickshaw vehicle to attend a gospel outreach meeting. All money donated into the India Missions Account will go towards funding the preaching of the gospel in India.
