

Beginning of Missions Support and training for pastors in Kenya

KENYA (Mission Support)

Church of Hope will now also be supporting Pastors in Kenya. During May this year 130 Ministry Manuals will be shipped to Pastors in Kenya. Resourcing the work of the ministry in Kenya will also be a key focus in 2009.

OPPORTUNITY TO BE A PARTNER

Church of Hope has now been training up and assisting a number of Pastors from both India and now Africa. With over one billion people in India, there is a great opportunity to sow into the ministries of many pastors who are faithfully planting churches throughout Andhra Pradesh, Karnataka and Northern India. It is hoped that several thousand Pastors will be able to receive Ministry Training Manuals which cost around \$A5. We are also hoping that many Christians and Churches will seek the Lord regarding being a financial partner with Church of Hope and its missions work. All of the missions' accounts are included on this page. All money donated into these accounts will be used solely to finance the ministry expenses of the local pastors. For more details please contact our Missions Pastor, Conrad Fenton on (+61) 0413 483 858
