PASTOR DAVID AND MELANIE PALMER

Since Conrad and Marian Fenton moved to Sydney, David and Melanie Palmer have been doing a great job in shepherding the flock in our church in Melbourne. God has also raised up several other leaders who have been faithful in supporting David and Melanie.

CHURCH OF HOPE HELPING TO BUILD CHURCH

When in Suryapet in India, Conrad and Marian Fenton met Pastor John Mark and his wife. Due to financial restraints, only the concrete slab of their proposed new church building existed. Church of Hope is now sending \$500 per month for the next 4 months to finance the construction of their church building.

Pastor Silvi, (seen here preaching) has a heart to see his state of Andhra Pradesh won to Jesus. His vision is to help train up 100 pastors in every one of the 23 districts in Andhra Pradesh. He will be using the Church of Hope Ministry training manual to help equip the pastors in each district. All donations into the India Missions Account are used to support the training up of Indian Pastors.

Monthly Pastors Meetings in Suryapet

Since Conrad and Marian visited Pastor Silvi and Pastor John Mark in Suryapet, they have been holding monthly pastors meetings to help encourage the surrounding village pastors. One of these pastors is a recent convert who was a muslim. He has been physically attacked for preaching the gospel. These pastors meetings are a great encouragement to all of those who attend. Church on the Cross in Sydney is helping to fund these monthly pastors meetings.

VILLAGE OUTREACH BY BIBLE COLLEGE STUDENTS

Pastor Emmanuel in Kakinada has a bible college which trains up every year 20 new pastors. Once trained, they plant a church in a remote village surrounding Kakinada. **Each week Church of Hope takes up a missions offering for these pastors.** All money from this particular offering is given to support the 80 Pastors who have come through this Bible College in Kakinada.

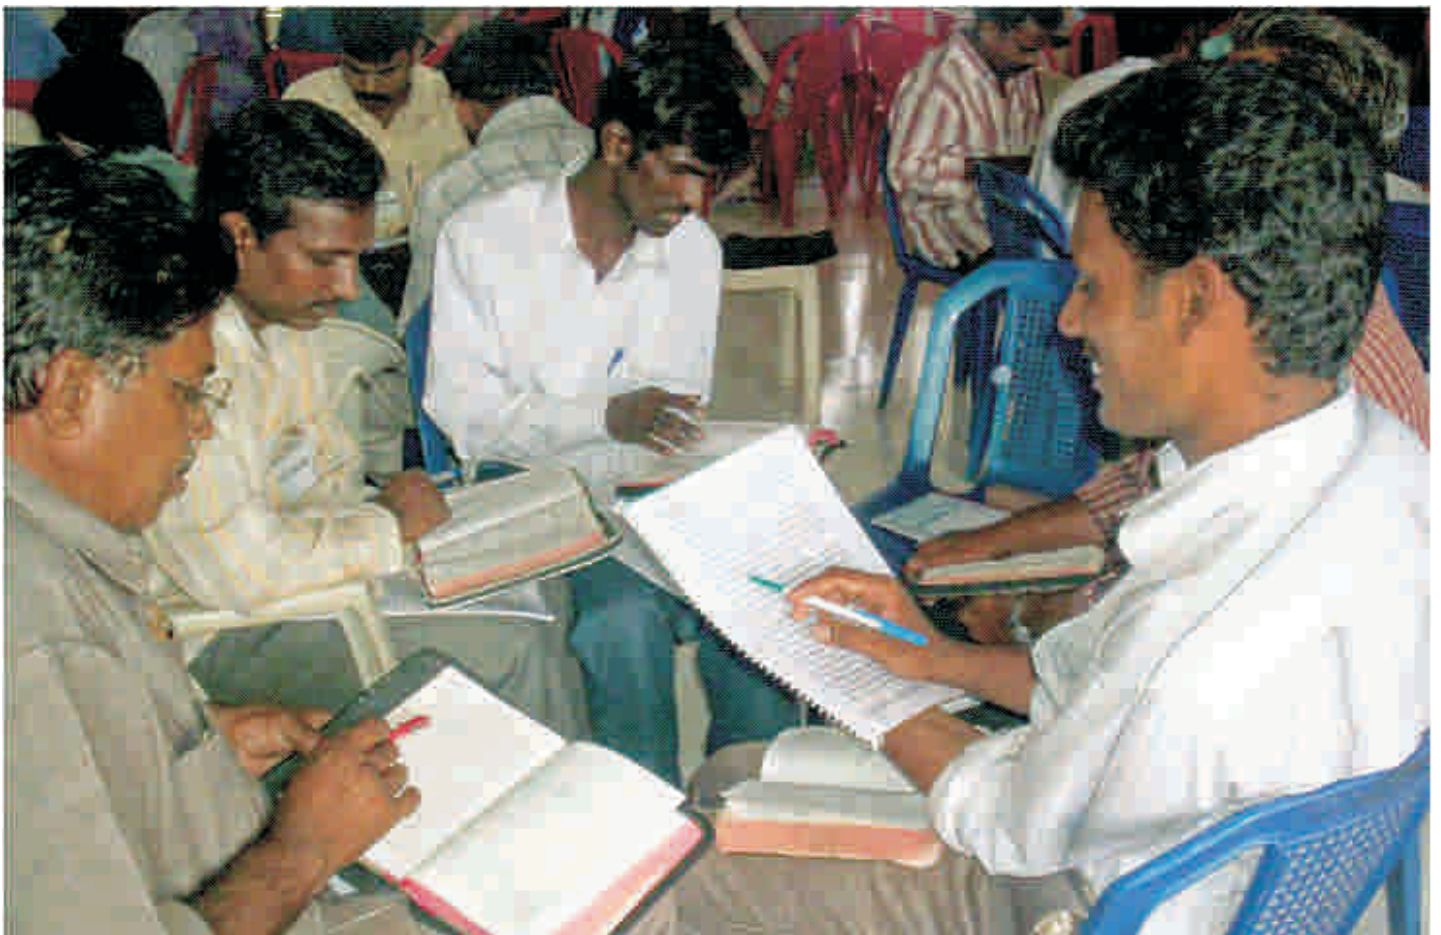

OPPORTUNITY TO HELP THE BEGGARS IN INDIA

In Kakinada there are several thousand beggars, whilst in the city of Bangalore there are 20,000 beggars. Pastor Emmanuel in Kakinada and Pastor Samuel in Bangalore both have a heart to run a feeding program for these beggars and to give them all a gospel tract. **Some donations to the Care account will be used to help feed the beggars in India.**

CHURCH OF HOPE'S VISION FOR INDIA

(To help Equip and resource local Indian Pastors to evangelise the Villages and Towns in India, and to help them to train up others for ministry)

OPPORTUNITY TO GIVE TO THIS CHURCH CONSTRUCTION

To complete the construction of this church, which will also contain 12 teaching rooms, a further amount of \$140,000 is required. Anyone interested in sowing a seed into this church can contact Pastor Silvi directly. Pastor Silvi travels extensively throughout India encouraging the Body of Christ.

Pastor Silvi has been praying for a bus which can take a team of evangelists from Village to Village to hold every week 3 outreaches in different villages. With over 400,000 Villages in India still to hear the gospel, this is an opportunity to support the acquisition of a vehicle which will help to see many other Villages touched by the Gospel message each week.
