LOCAL MISSIONS – SYDNEY AND MELBOURNE

EXPANDING BLACKTOWN MINISTRY

This year has seen an expansion in the work at Blacktown since we opened the new Centre in the heart of Blacktown. Each week the Centre is open during the day on Tuesday and Wednesday and Friday lunch time for people to drop in for some fellowship and encouragement. We also hold a street preaching outreach on Thursday night and a Friday Morning Breakfast outreach near the station to help connect with the marginalized in the community. The centre is also used for our Saturday Worship meetings and monthly Evangelism Workshops. Our Melbourne meetings continue to be blessed with many people at the Saturday night meeting growing in their faith.

Each week with the support of churches such as CLA many are encouraged at our Melbourne meeting

AFRICA MISSIONS - Supporting Bishop Benson to help train up and resource pastors to run bible training workshops and training centres in Africa

Bishop Benson (in the blue suit) has been running many workshops for pastors over the past two years. He has a real burden to get alongside pastors to encourage and equip them. His church is in the slum area of Nairobi and as a result needs the support of others to help see his vision to establish training centres in Africa come to pass. Many other pastors have also connected with us desiring to receive training manuals to commence bible colleges.

INDIA MISSIONS – Equipping and encouraging pastors to run Workshops for other pastors

For seven years Pastor Conrad and Marian Fenton have been helping to equip pastors in the more remote villages in India. The key focus of all mission's trips has been to train up groups of 50 – 100 pastors in different areas to train up other groups of pastors. With around 1.2 Billion people in India the training up of faithful men and women who can teach others also is a key to reaching the masses with the gospel. With printing costs very cheap in India, we have a heart to bless as many pastors as possible with manuals to help enable them to equip other pastors.

PAKISTAN MISSIONS – Supporting Pastor Emmanuel and his team to equip Pastors

After five years of being invited by Pastor Emmanuel to Pakistan, Pastor Conrad accepted his invitation and met with him last November. Pastor Emmanuel is a man of integrity and has two Christian schools that he oversees in the state of Punjab. Each month Pastor Emmanuel and his team hold training workshops to equip and empower other Christians and Pastors for the work of ministry. Many pastors who came to our workshops last year now also want to start bible training centres throughout Pakistan.
