FOUR MONTH LOCKDOWN HIGHLIGHTS

During the four months lockdown in Sydney and Melbourne many new opportunities opened up to share the gospel and to encourage other Christians.

These included:

- Holding three zoom meetings a week including a fortnightly meeting for our key street evangelists. These meetings have helped to see many growing in their walk with the Lord as people have been given opportunities to minister at these meetings
- Forty pastors, including Pastor Daud (pictured right) connecting with us through Facebook. Most of these are now doing the 17 week Church of Hope Evangelism and Ministry training course
- Through these contacts we have now also held four pastor conferences in Pakistan and India via zoom. Pastor Conrad has also preached to a number of overseas church fellowships via zoom
- Through the regular zoom meetings we have also been able to minister to people from other states and from overseas
- In Melbourne Pastor David and his ministry team have been feeding the poor during the lockdown period and ministering encouragement to them. David Schmack has been active in helping with the homeless ministry spending much time discipling several people from the homeless community, and
- Thanks to the generous support of CLA we have been able to letter box drop gospel tracts to over 30,000 homes in the west of Sydney. One big thanks to CLA for making this possible. At a time when many people were struggling with the lockdown it was great to be able to deliver gospel tracts with a message of hope to many homes.

Pastor Daud (pictured above) organized two Pastors conferences and two Sunday meetings last month for Pastor Conrad to minister at

David Schmack and team (above) handing out invites to the Saturday feeding program. At the beginning of the lockdown we had 27 boxes of tracts (65,000) printed. We now have 10 boxes remaining. (See pictures below)
