

EMAIL FOR WEEK EIGHT

Good Morning

It is Pastor Conrad with Week 8 of the Evangelism and Ministry Training Course.

I trust that you had a great Easter and that the Lord blessed all of your meetings.

This week's study topic number seven is; "The importance of making Disciples" (Introduction)

For this week I have put together a 5 page Study Guide as we begin to look at the importance of making disciples.

I have also included 7 Self Evaluation Questions that relate to the study.

This topic is very important because all believers have been saved for a purpose, "...good works, which God prepared beforehand that we should walk in them." (Ephesians 2:10)

However all Christians are in a continual spiritual warfare (John 10:10) (1 Peter 5:8-9) so it is important that all believers become strong in their walk with the Lord so that they can fulfill all that God has planned for their lives.

This study covers some important areas in relation to making disciples. Jesus Himself emphasized the importance of making disciples in the Great Commission.

Jesus said to His disciples,

"Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." Amen.

So as pastors and leaders it is so important that we help encourage all Christians to become mature disciples who can fulfil God's plan and purpose for their life.

THE TEACHINGS FOR THIS WEEK ARE:

- 1) Five Page Study Guide - The importance of making disciples (Introduction)
- 2) Attachment One - A good leader mentors others (Key Teaching), and
- 3) Attachment Two - Spiritual Gifts Questionnaire (Optional) to help Christians to identify their spiritual gifts

Well here goes. May this week's readings be a blessing for you.

God Bless
Conrad
