

EMAIL FOR WEEKS TEN AND ELEVEN

Good Afternoon

It is Pastor Conrad again with weeks 10 and 11 of our Evangelism and Ministry Training Course.

I trust that you have had a good start to the week.

This week we are looking at the important topic of: *DOCTRINES OF OUR CHRISTIAN FAITH AND SOME KEYS TO GROWING IN MATURITY IN OUR WALK WITH THE LORD (Topic Number Nine)*

Due to the volume of content in this study guide we will be covering this topic over the NEXT TWO WEEKS. Topic Number Nine is a very important part of the segment of this course relating to the importance of making mature disciples.

In a world full of many different religions and philosophies, it is important that all believers have a clear understanding of the doctrines of the Christian faith so that they do not get drawn away from their faith in Christ.

It is also important as pastors that we continually feed those entrusted to our care with the Word of God so that those in our church are able to grow into mature believers.

More than ever before it is crucial as pastors that we preach the whole counsel of God. (Acts 20:27)

In the second part of topic number nine, I have included some important keys that can help all believers to become strong and fruitful in their walk with the Lord.

Due to the nature of Topic Nine's subject matter, I have put together a longer Study Guide which covers a lot of the teaching material for this fortnight's part of the course.

The second important teaching for Topic Number Nine is on the Six Doctrines of our Christian Faith as per Hebrews chapter 6

May the Lord bless your study of this fortnight's teachings for Topic Number Nine: Doctrines of our Christian Faith and some keys to growing in maturity in our walk with the Lord

Well here goes.

God Bless
Conrad
