MISSIONS MONTHLY PROJECT NEWSLETTER

NEW MISSIONS MONTHLY PROJECT NEWSLETTER

This is our first monthly missions project newsletter to help support our missions partners in India and Africa. Each month we will share about one different mission's project that we would like to support as a church community. Through this newsletter sponsors will know where their love gifts are being directed as well as being better able to give into the mission's projects that God has put on their hearts to sow into. By focusing on one project a month we can also receive bulk printing discounts. We will continue to send out our quarterly Missions Newsletter which outlines all of our ministry activities abroad. To know more about our monthly projects please call Pastor Conrad on 0413 483 858.

THIS MONTH'S MISSIONS PROJECT - *Providing ministry manuals to pastors establishing bible training schools in Africa*

Pastor Conrad (pictured below sitting next to Bishop Benson) encouraged 81 Pastors to run workshops in his recent trip to Nairobi. With a team of mature pastors (pictured below left) Bishop Benson has now already helped 10 pastors to birth training centres using the Church of Hope training manuals. Copies of these manuals can be downloaded from our web site www.coh.org.au. As most of the pastors come from the slum areas of Nairobi we have the opportunity to sow into their lives by providing them with free ministry manuals to help establish their bible training schools. Our project for February and March is to print as many manuals as we can to give to these pastors who have commenced these bible training centres in Africa.

PROJECT FOR FEBRUARY / MARCH

- Printing manuals for Bible Training Centres in Kenya
- Translating manuals into Uganda Native Language
- Printing manuals for Uganda Bible Training Centres

UGANDA BIBLE COLLEGES

Bishop Martin (pictured left with Pastor Conrad) has shared vision with pastors in five regions in Uganda to start bible training centres. He is now translating the manuals into the native language of Uganda and praying for the finances needed to print them. All manuals will be printed in bulk by Bishop Benson and sent to pastors in Kenya and Uganda. We are praying that many will sow into this month's mission's project.
