

FREE EVANGELISM AND MINISTRY TRAINING COURSE – Run by Church of Hope

Hi it is Pastor Conrad Fenton from Church of Hope in Australia.

This year the Lord has put on my heart to oversee the running of our Evangelism Training Course that is on our Church Website this year for all people who have contacted us.

Our Church of Hope Website is www.coh.org.au

Due to a heavy mission's commitment and local ministry responsibilities over the past two years, I have not been able to address all emails that I have received during this time. I APOLOGIZE FOR THIS

In January I was able to put all email contacts into a data base so that I can invite all those who have made contact with Church of Hope over the past few years to be a part of this Evangelism and Ministry Training Course as I prayerfully go through this course with many pastors and Christians over the next 6-9 months.

Due to the overwhelming response from many pastors to our website, I do not physically have the time to work personally with each pastor on a one to one basis to help them establish a ministry training program.

For this reason the Lord put on my heart to work together with all pastors as we work together through the Evangelism and Ministry Training Course and as we train up others together using the course study materials.

WITH THE CURRENT STATE OF THE WORLD, IT IS SO IMPORTANT THAT ALL CHRISTIANS ARE ENCOURAGED AND EQUIPPED TO BECOME SOUL WINNERS

From next week I will be sending details of the week's topic and teachings each MONDAY.

This course is designed to:

- 1) Be very Spirit led and practical
- 2) To encourage Christians and Pastors to be all that God has planned for their lives and churches
- 3) To equip Christians to share their faith, and
- 4) To be used by pastors to help equip those in their congregation and networks of pastors

The course will be very practical and each week I will prayerfully choose the topic to cover with the suggested readings for the topic and some key points to consider.

Each email can then be forwarded to other pastors and Christians who many wish to be part of this course and who may also want to run it for others.

I look forward to going through this course together with many pastors and Christians as we read the materials together. The reading requirements will not be burdensome but uplifting with the key focus on helping all Christians to get a greater passion and commitment in their walk with the Lord and to become soul winners

Each week I will also address any common questions that I may receive from the previous week.

At the end of this course, Church of Hope will also email a certificate of completion to all those who have participated in this course this year.

Please email me on churchofhope@hotmail.com if you have any questions.

I look forward to serving you this year.

God Bless Pastor Conrad
