### **BLACKTOWN CARE MINISTRY (Seeing lives restored)**

A big focus this year continues to be on helping to see lives being restored in the marginalized community. For this reason, we are having a great emphasis on creating healthy Christian community at our Blacktown church by holding monthly breakfasts before our Sunday meetings and every Monday providing a free breakfast and lunch as part of our coffee and chat meetings where we have opportunities to speak into the lives of those who attend. Each Sunday we also provide a free lunch for those who attend our Sunday meeting. Donations into our Church of Hope Care NSW account help to cover our care ministry expenses in Blacktown.

### **END OF FINANCIAL YEAR - Opportunity to sow into our tax-deductible Care Ministries**

As we are a faith ministry that ministers to the needs of those in the marginalized community we have always depended on the generous support of other Christians. With the end of the financial year fast approaching we are just giving people an opportunity to pray about sowing into our church of hope CARE ministries which are all fully tax-deductible. If you would like to know more about our care ministries, please call Pastor Conrad on 0413 483 858 or Pastor David on 0411 370 767. Again, we would like to thank all those who have sowed into our care ministries.

**OVERSEAS CARE MINISTRY** As donations come into our Church of Hope Care overseas missions account, we send money to help Pastor John Mark's orphans in India and Jane Mihango's orphans in Kenya. If possible, we also try and help three pastors in Pakistan (including Pastor Daud above) who are doing a great job in reaching out to the poor in the brick kiln areas and in caring for several orphans.
