FIRST MISSIONS TRIP TO PAKISTAN

After being invited by Pastor Sadiq Emmanuel on a regular basis for five years to come to Pakistan, Pastor Conrad has decided to visit him this November to see his Christian School and Sewing Centres. Whilst in Pakistan, Pastor Conrad will also be ministering at 2 three-day pastor's workshops and at a number of local churches.

Pastor Emmanuel has translated the church of hope Pastors Workshop Manual into Urdu and has organised the workshops for Pastor Conrad to speak at. With many people in the war torn nation of Pakistan needing encouragement, Pastor Conrad is looking forward to ministering the love of Christ in that nation in November and encouraging several hundred pastors. Please pray for him.

INDIA MISSIONS – UPCOMING WORKSHOP

Pastor John Mark from Church of Hope in Suryapet has run many pastors workshops throughout South India over the past 5 years using our Church of Hope training manuals. His next one-day pastor's workshop will be in the second week of November.

In every workshop run by Church of Hope in India and Africa, the pastors attending are given a free Pastors Workshop Manual. As a typical village church member in India earns from \$3.00 to \$4.00 a day, many village pastors have great financial challenges and need encouragement and support.

Due to the generous support from other Christians and churches here in Australia, we have been able to provide Pastor John Mark with thousands of manuals to give to pastors attending workshops run by him. Donations to support this work and Bishop Benson can be made into the following Account:

MELBOURNE CHURCH The Friday night Flinders Street Station outreach continues to see many people coming to Christ. Since moving to the Multicultural Hub this year, the numbers at the Saturday night worship meeting have also increased.

AFRICA MISSIONS – MANUALS IN SWAHILI (Many pastors requesting training manuals)

PASTORS MANUAL TRANSLATED INTO SWAHILI

Bishop Benson has almost completed with a team of three others the translation of our Pastors Workshop Manual into Swahili, a language spoken by around 200 million in East Africa

Many African pastors have asked for manuals to start bible colleges and to help equip other pastors. As finances come into our Missions Account, Bishop Benson, our Church of Hope co-ordinator in Africa is able to print out more manuals and to help other pastors to establish their ministry training programs.
