## MISSIONS NEWSLETTER

September, 2016

### LOCAL MISSIONS (Melbourne and Sydney)

This year we have had a two-fold focus of making disciples and holding more evangelism outreaches. In Melbourne Donato and Mary Diele assist Pastor David by running discipleship classes before our Saturday Worship meeting. In Sydney Pastor Conrad has started a fortnightly leadership development group as well as a fortnightly worship rehearsals group run by Bukky Daramola. In Sydney we hold fortnightly outreaches in George Street Sydney, at Penrith and St Marys Railway Stations as well as twice weekly at Blacktown Railway Station. Our Friday Flinders Street Station outreach continues to touch many lives.

### LOCAL CARE MINISTRIES

At both our Blacktown and Melbourne Saturday night meetings we provide free meals for those attending. At Blacktown we provide free tea and coffee at all meetings and a light lunch at our Woman's fellowship meeting. Each month with the help of Joe Askew we also cook a free breakfast for the community as part of our Sunday meeting. Donations for our NSW Care Ministry can be made into our tax-deductible CBA Account: **BSB No. 06 2121 Account No. 1089 6471**

## MELBOURNE MINISTRY

### MELBOURNE MINISTRY ACTIVITIES

Our Melbourne Saturday Night Worship meeting continues to impact a lot of lives. In addition to the many regulars who attend every week, there are always people with practical needs that hear about our free meals and join our Saturday night meetings. As the gospel message is usually presented during our Saturday meetings, we have seen many over the years coming to Christ through these meetings.

The many regulars, who have now been with our church for several years, some for over ten years, continue to grow in their faith through the weekly messages and bible studies that are run before the main meeting.

Our church continues to minister at Flinders Street Station every Friday night with several coming to Christ during these outreaches. Dianna continues to faithfully organize church groups to provide healthy two course meals for those attending our Saturday meetings. One big thanks to all of our volunteers.

## SYDNEY MINISTRIES

### BLACKTOWN MINISTRIES

Our two street church outreaches in Blacktown continue to impact the lives of many people. Some attending these meetings are now also connecting with our mid-week and Sunday meetings. Our cafe style Saturday Church meeting is becoming more popular and our Sunday meeting which began last July now has between 20-25 attending.

A big focus for our Thursday Night Street church is to also help train up and equip more street preachers and to see the local community transformed by the love of Christ as we reach out in word and song and practically with hot drinks to those near the railway station. Our Care Room (Pictured below) has enabled us to also connect with the community in a very practical way. One big thanks to CLA and others who have helped to meet the rent for this room.

### Street Outreaches – STREET CHURCHES

As many people are still to come to Christ and as many Christians are now out of fellowship, we now have three street Churches in the west of Sydney. Each fortnight at Penrith Railway Station and at St Marys Railway Station and twice weekly at the Blacktown Railway Station we sing worship songs and preach the Word as we fellowship together.
